

INVESTOR REPORT

Dear Sir / Madam

Natixis Loomis Senior Loan Fund**In accordance with regulation 92D, the fund remains a reporting fund as at the date the report was issued**

As you may be aware, UK resident participants of the fund who are within the charge to UK Income/Corporation Tax are required to report their share of taxable income from the fund to HMRC in the UK for the year ended **31 December 2014**, when completing their own Income/Corporation Tax returns.

To this end, we enclose a detailed breakdown of the income and gains earned by the fund during the period for each applicant class of interest. This information is provided to all participants and does not take into account the specific circumstances and tax profile of each participant. If any participants are in doubt, they should consult their own professional advisors with regard to this information.

The per unit amounts reported below are allocated based on the average units disclosed.

Note 1: In accordance with regulation 92D, the fund remains a reporting fund as at the date the report was issued

Note 2: This report does not take into account the specific circumstances and tax profile of each participant. If any participants are in doubt, they should consult their own professional advisors with regard to this information including taxation of different types of income and deductibility of expenses.

Note 3: This represents a reduction in management fees by the Management Company where the total real expenses paid by the Fund exceed the Total Expense Ratio

Note 4: Other expenses include audit fees, legal fees, pricing fees and miscellaneous fees

Note 5: No withholding tax has been suffered by the unit class on its income
